ENGAGING SCIENTISTS IN THE LAC REGION TO SUPPORT THE SDGS

Please join us as we explore how the global science community is endeavouring to play its part and engage with the SDGs, through the lens of national merit-based academies of science in the region.

20 April 2018 • 13:00 - 14:30
Medina Room

Short presentations followed by moderated discussion with:
Professor Juan Asenjo, IANAS
Dr. Teresa Stoepler, IAP for Research
Professor Alex Godoy-Faúndez, Universidad del Desarrollo and the Global Young Academy

Organized by the InterAcademy Partnership (IAP) and the InterAmerican Network of Academies of Sciences (IANAS)
