

BELIZE – SDG 14: Life Below Water

Forum of the Countries of Latin America and the Caribbean on Sustainable Development

Thursday April 3, 2025

Victor Alegria

Ministry of Sustainable Development, Climate
Change and Solid Waste Management

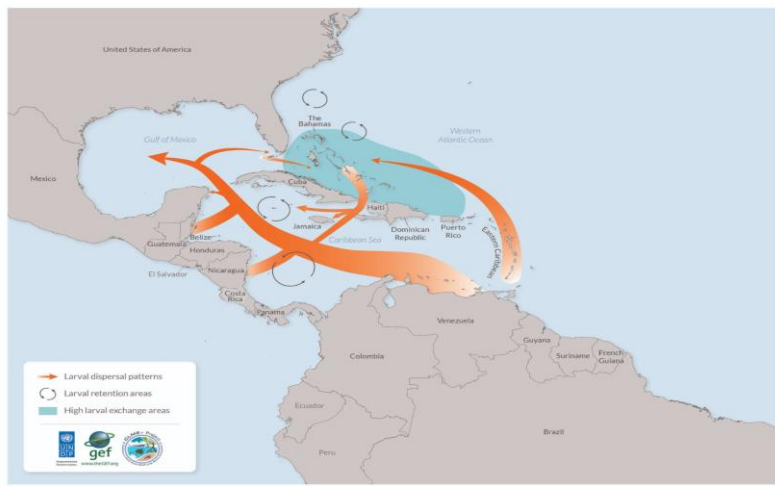

Regional Perspective and Efforts

The SDG 'Wedding cake' shows the biosphere (including the Ocean) as the foundation of economies and societies and as the basis of all SDGs.

Such a conceptualization adopts an integrated view of social, economic, and ecological development.

Marine Ecosystems are deeply connected in ways that affect the biosphere society & economy across the region. E.g. Spiny lobster dispersal patterns.
